

2019 Request For Qualifications By The North East Texas Regional Mobility Authority For Traffic And Revenue Consulting And Traffic Engineering Services

Questions and Answers

ID	Section	Page	Question	Response
1	4.5.2	4	In section 4.5.2, it appears the final sentence is incomplete. "Number of staff, broken into professional and sub-professional groupings, by specialty and by geographic location, who will be assigned to NET RMA work. The response should be based on the prospect that the Traffic and Revenue Engineering." Can you please advise?	The second sentence included in Section 4.5.2 should be deleted in its entirety. The RFQ will be updated in a forthcoming addendum.
