**NET RMA Launches New Online Map to Help Drivers Plan Their Summer Trips**

*User-friendly map includes past, current and upcoming roadwork*

(TYLER, Texas) – North East Texas Regional Mobility Authority (NET RMA) has launched its new, user-friendly online map to keep drivers updated on lane closures and maintenance along Toll 49.

Just in time for summer, this new map tool comes with features to help East Texas residents plan their trips, including:

- Easily-recognizable icons, indicating construction, lane closures and/or accidents
- Specific area of the road highlighted where work is being conducted
- Information on current and upcoming road updates
- Summary of completed roadwork

“We’re always looking to improve the customer experience on Toll 49. Our goal with the online map is to enhance transparency of our past, current and upcoming roadwork to help drivers get to where they need to go safely and efficiently,” said Glenn Green, NET RMA executive director. “Users of this new tool can access the map on any internet-connected device, making it a convenient way to plan travel around the Tyler area.”

Drivers can stay updated on closures and road conditions on Toll 49 by visiting [www.netrma.org/road-enhancements](http://www.netrma.org/road-enhancements).

**About the North East Texas Regional Mobility Authority (NET RMA)**

The NET RMA is an independent government agency created to accelerate the development of transportation projects in North East Texas. Our mission is to implement transportation solutions that will enhance the quality of life and the economic environment in our area. The NET RMA is governed by a 21-member board of directors that represent each of the member counties: Bowie, Kaufman, Cass, Camp, Cherokee, Gregg, Harrison, Panola, Rusk, Smith, Titus, Upshur, Wood and Van Zandt. Texas RMAs were made possible through an initiative passed by the State Legislature in 2001. The NET RMA was established in October 2004. For more information visit, [NETRMA.org](http://NETRMA.org).
