**TOLL 49 SEGMENT 3B
Tyler, Texas – September 16, 2011**

Toll 49, Segment 3B construction will begin to impact traffic on FM 724 at CR 1148 starting on September 21, 2011. CH2M Hill, the NET RMA's Design/Build contractors, will begin construction of the FM 724 at CR 1148 intersection on September 21, 2011. This work is scheduled to be underway over the next several weeks. The construction will require the closure of a lane of FM 724 to traffic. Flaggers will be directing motorists on the remaining open lane during this period. There are message boards set up to remind traffic and area residents of the flagging operation and the work in on FM 724. Please allow for potential delays in the construction area.

About the NET RMA

The NET RMA is an independent government agency created to accelerate the development of transportation projects in North East Texas. Our mission is to implement transportation solutions that will enhance the quality of life and the economic environment in our area. The NET RMA is governed by a 19-member board of directors that represent each of the member counties: Bowie, Cass, Cherokee, Gregg, Harrison, Panola, Rusk, Smith, Titus, Upshur, Wood and Van Zandt. Texas RMAs were made possible through an initiative passed by State Legislature in 2001. The NET RMA was established in October 2004.
